## The seven stars

Our own St. Catherine's Farm, located in Worcestershire, provides meat, vegetables and other produce to The Seven Stars.

The farm is home to Pedigree Kerry Hill sheep, as well as British Lop Pigs, ensuring high welfare standards and organic production.

St Catherine's is one of the last remaining breeders of British Lop Pigs in the UK. This is a rare and cherished native pig worthy of preservation.

The farm provides a haven for rescue donkeys, offering them open-air and idyllic countryside surroundings. These donkeys enjoy the freedom to roam and often interact with the resident sheep, bringing joy to the farm.

We are dedicated to maintaining animal welfare and the natural heritage of the land in an era of industrialisation and commercialisation.
